January 3, 2022

Jeffrey E. Burt
Superintendent of Schools

Dear Mr. Burt,

I am writing to officially inform you that, as of June 17, 2022, my plans are to retire from my reading paraprofessional position at Colchester Elementary School. I have had the pleasure of working with our youngest students and an amazingly supportive staff for the past 20 years and have enjoyed every moment. However, all chapters come to an end and I am now looking forward to having more opportunities to spend time with family, friends, traveling and relaxing.

Many thanks to you, the Board of Education, the CES administrators, and the many teachers I have worked with over the years, for the positive working environment and joy of being part of a team focused on providing the best educational experiences for the students of Colchester. It has been an honor to work for the district.

Sincerely,

Judy Ladegard
